## 1. Module and Guideline

### 1.1. Introduction

The User Manual for the APEL.A Program serves as a guide for users when applying for the APEL.A program. The procedures outlined in this brief description are intended to assist and guide users through applying for a program in professional or executive fields. This manual provides step-by-step instructions to ensure a smooth and efficient application experience. Additional support resources and contact information are included in the manual if users encounter any challenges.

### 1.2. User Guideline for APEL.A Program

#### First: Create an Account

The user must log in to the MyCredential system first ([MyCredential](#)) before starting the process. If the user does not have an account, they must create one. Users can refer to this ([User Manual Create Account](#))
